## ALL SORTS.

Anacosta, Mon., has been beat in for capital of the State.

Humboldt county is still "hot stuff" as a silver precinct.

No one raised the cry of "Take fight" in Ormsby last Tuesday.

Your taxes are now due and Mr. Kersey will receive them up to Jan. 1st.

Don't forget to take in the theatre tonight. It will make you forget the election.

Bob Logan was in the city yesterday. He says he has no snow in a beauty contest.

Warner and Jones put in the finishing blows that made the enemy giddy on Tuesday.

Lyon swung in line for Silver and gave Jones 150 majority. Mack also carried the county.

The latest reports are that the Silver party have elected every man on the ticket including Cutting.

The pleasant weather coupled with fair air and sunshine is very agreeable after the stormy election.

The Republicans will have but four in the Senate out of fifteen, and not over ten in the House when the Legislature meets.

Charles Mack made the gamest fight of anybody in the State. He stormed what was considered an impregnable stronghold and carried it.

With the election over and everything back in working order Abe Cohn's tailoring establishment is prepared to make suits cheap. This is your chance to pay election bets.

The long pending suit brought by Theodore Fox against the Consolidated California and Virginia Mining Co., involving nearly \$8,000,000, is about to be settled in San Francisco.

E. B. Rail has just received good stock of the Oliver Chilled Plows also the John Deere Steel Plow, and extras for the same. He has added to his other goods to make his stock complete.

The case against Richard Heath at Fresno was yesterday dismissed by the Supreme Court. Heath has stood two trials for the murder of W. H. McWhorter, both juries disagreeing. The trials have cost Fresno county over \$100,000.

It is said that Governor Waite will leave Colorado for Illinois, a proposition having been made to him to acquire a residence in the latter state to become a nominee of the Illinois Populists for Governor in 1896. He expects to live in or near Chicago.

The Enterprise says that the Silver party got the minor offices in Ormsby. Ask H. M. Yerington if he thinks the Assessor is a minor office! The Storey county Silver men also elected their Assessor by a big majority. The V. & T. will be properly assessed for the next two years.

You can't hardly estimate the number of people that are running around over the country trying to live off the hard earned money of other people. There is every kind of a swindler imaginable abroad in the land. It is safe to say that one half of the population of this country lives off the earnings of the other half. That is one of the main causes that we hear so many people complain of hard times. Ex.

This accounts for the expansion of the population and the contraction of the currency.

A San Francisco dispatch says: Senator John P. Jones arrived in this city Thursday from Nevada and is highly elated over the success of the new Silver party in that State. He is confident that the Silver party has carried all of the more important State offices. Senator Jones also expressed pleasure over the political upheaval in the East, "but," he said, "no immediate good results can take place nor any revival in business need be expected until the remonetization of silver is carried into effect.

### Budd Loosing Ground.

San Francisco, Nov. 9.—Complete returns from 1951 precincts in a total of 2274 precincts in California give Budd 102,673; Estee, 101,579 Budd's plurality 1094.

9:30 P. M.—Complete returns from 49 precincts in Riverside county just received reduces Budd's plurality to 566 with 298 precincts to hear from in the State.

## "The Substitute."

Ezra Kendall's new comedy-drama "The Substitute," which is to be the attraction at the Opera House tonight, is what it professes to be—comedy and drama. As the old countryman in his successful "Pair of Kids," Mr. Kendall has for several seasons amused the public with his funny and original creation of "Jules Burton," and now in the more subdued, not less entertaining character of "Simon Pure," the old York State farmer, he will have an opportunity to show, in more enduring work a part of the soberer as well as the mirth provoking side of pastoral life. It is the play that diverts and not perverts which is always welcome, and which alone must ultimately rule the boards. In the presentation of his play Mr. Kendall has surrounded himself with a number of well-known favorites, among whom may be mentioned Little Lottie Dunn, the clever comedienne whose name is a household word throughout the land. She will be seen with Mr. Kendall in a number of bright and catchy specialties, introducing new songs and eccentric dances.

### Piano Lessons.

Miss Sophia Jacobs who has been studying music under the instruction of Prof. F. Zech of San Francisco, is now prepared to give lessons to a limited number of pupils. For particulars inquire at residence.

### Notice.

I take pleasure in stating to the public that I have opened the Silver State Restaurant and will run the business under my sole supervision. Not having a partner and being unhampered in the management of the business, I shall endeavor to merit a full share of public patronage.

### ICE. ICE.

## TWO TRAITORS.

THEY ARE TURNED DOWN IN ES-MERALDA.

The Tribune is sorry to learn that Jim Yerington has been defeated for Senator in Esmeralda and Al McCarthy for Assemblyman. The Jones sack was too much for them.—Tribune.

These two men deserved the reward of party traitors that the Silver men of Esmeralda meted out to Jim Yerington and Al McCarthy.

Both were leading Silver men two years ago. No one could exceed Yerington in devotion to silver and Al McCarthy ran his newspaper in the Silver interests, and went to the Assembly elected by Silver men. Talk about Jones' sack, it must have been the Republican sack that turned the Walker Lake Bulletin, and a paternal administration that swung Jim back to the Republicans. The voters decided that they wanted men in the legislature that had minds of their own and showed them under Esmeralda disavows the banner.

### The County.

Francis G. Newlands will carry Humboldt county by about 170 majority. While this is not as large a majority as we had hoped for, it proves that there are more sensible men yet than fools in the county. John E. Jones, for Governor, will have a majority of over 500 in this county and the balance of the State ticket about the same. The result on the county ticket indicates the election of the following candidates: State Senator, Alex Wise; assemblymen, W. C. Pitt and Frank Francis. District Judge A. E. Cheney has carried both Washoe and Humboldt counties by a handsome majority. Sheriff J. D. Hadley; Clerk, L. F. Dunn; recorder, J. J. Hill; treasurer, P. Laveage; District Attorney—so far as heard from—Lynip is about 35 ahead of Buckner; Assessor, J. W. Guthrie.—Silver State.

WANTED—A light driving cart must be cheap. Apply at this office.

Will Day is knocking the stuffing out of traveling clothing men, as well he might, for he has put prices of clothing down to the lowest ever known in Carson. n2

Philip Krall, teacher of piano, is ready to receive pupils. For information apply to F. J. Steinmetz or Mrs. McQuisiera. \*
